## CHETAN PUBLIC SCHOOL

*Smart Campus*

# SMART CAMPUS

Chetan Public School – Smart Campus is a premier educational institution offering world-class facilities and a learner-centric environment. Managed by Dyavappanavar-Valasang Educational & Academic Trust, Hubballi, the school is committed to nurturing excellence through holistic education.

With modern infrastructure, skilled faculty, and a strong emphasis on values and innovation, the Smart Campus provides an enriching atmosphere where students grow academically, socially, and emotionally. Our mission is to mould young minds to excel and prepare them to become confident, responsible, and future-ready global citizens.

# “Our Core Values Seek, Strive, Succeed”

## VISION

- To inculcate in the students a spirit of adventure, ambition and resilience, and to equip them with AI literacy required for budding entrepreneurs.
- To strive incessantly to instruct and lead the students to excel themselves in a competitive world.
- To provide every opportunity to the students to develop intellectually, physically and culturally.
- To utilise the latest facilities and cutting-edge techniques to prepare the students to face challenges of their careers.
- To create a conducive ambience for the teachers and the taught in the pursuit of high standards in academics.

## MISSION

- To mentor the young to develop in them qualities of leadership and, by embedding AI literacy programmes in the instruction, enable them with problem- solving skills necessary for prospective tycoons.
- To nurture, inspire, enlighten and mould the young minds.
- To train future citizens to be benchmark performers in the fields of Science, Technology, Health care and Industry.
- To guide the students in realizing and enhancing their innate potential to shape their own destinies.
- To impart value-based education to the students to prepare them to shoulder their responsibilities.
- To be a world class innovator in Education.

# WHY CHETAN SMART CAMPUS

- A perfect blend of world-class education, values, innovation, and future-ready skills.
- ICSE-Oriented Academic Excellence.
- Future-Ready Learning Environment with a Strong Foundation in the Early Years.
- Excellence in Communication & Public Speaking with World-Class Infrastructure
- Holistic Development Opportunities with a focus on Safety, Wellness & Care
- Values, Discipline & Character Building with Experienced & Dedicated Faculty
- A Campus Designed for Student Success

# PRINCIPAL'S MESSAGE

Dear Parents and Students,

It is with immense pride that I welcome you to Chetan Public School - Smart Campus, a vibrant institution committed to progressive education and holistic development.

At Chetan, we believe that strong foundations are the key. Our early childhood Programme is play-based and activity-oriented, helping young learners develop cognitive, emotional, and social skills in a nurturing environment. Facilities such as the Kredo Montessori Lab, indoor play zones, and early public speaking platforms ignite curiosity and confidence from the very beginning.

As students progress, they engage with a curriculum that balances academic rigor and skill-based learning. Our Science, Math, and Computer Labs, DIY Lab, and unique Chess Lab promote hands-on experiences, critical thinking, and innovation. Language and communication skills are developed from the early years through our English Language Lab and integrated public speaking sessions.

Chetan is deeply committed to students' holistic growth. Our Visual and Performing Arts programmes encourage students to explore their creativity, while the Value Education Lab nurtures empathy, ethics, and social responsibility. Regular counselling sessions, a dedicated health clinic, and a safe, inclusive environment ensure the overall well-being of every child.

Our progress is guided by the vision of two esteemed academicians, Prof. Gurushant V. Valasang and Prof. Mahesh H. Dyavappanavar, whose dedication to quality education has shaped the ethos of our institution. Under their leadership, Chetan has grown into a space where excellence, values, and innovation go hand in hand.

Our mission, "Creating Budding Entrepreneurs" reflects our aim to nurture not just academic achievers, but confident, socially responsible innovators prepared for a dynamic world.

Warm regards,

**Prashanth Belinja**

M.A., M.Ed., LLB

Principal,

Chetan Public School – Smart Campus

# ADMISSION PROCEDURE

**Minimum Age :** Admission to KG1 (Nursery) is open to children who have completed three years of age as on June 1st, 2026.

## **Registration:**

Parents may register their children either online or offline. Registration is the initial step to collect essential information and does not guarantee admission.

## **Admission Consideration:**

Admission will be considered only after the child attends the school assessment, the parent or guardian participates in an in-person interaction with the school, and seats are available in the respective class.

## **Admission to Higher Classes:**

Admission to higher classes is subject to the availability of seats. It will be based on the child's performance in the assessment and the submission of a valid Transfer Certificate (T.C.).

Our curriculum is thoughtfully aligned with the National Education Policy (NEP) 2020 and the National Curriculum Framework (NCF 2023), while adhering to the academic standards prescribed by the Council for the Indian School Certificate Examinations (CISCE). It promotes holistic development, experiential learning, and the integration of knowledge, skills, values, and culture.

## **Foundation Stage:**

### **Nursery, Lower KG and Upper KG:**

- A play-based and activity-oriented approach
- Emphasis on early language development, motor skills, pre-numeracy concepts, and social emotional growth
- Learning through stories, rhymes, art, imaginative play, and exploration

### **Grade 1-2**

- A strong focus on foundational literacy and numeracy
- Subjects: English, Mathematics, Environmental Studies, Kannada, Hindi, Computer Science, Robotics, Art & Craft, Music, Physical Education and Value Education
- Joyful and experiential learning through interactive and engaging methods

## **Preparatory Stage:**

### **Grade 3-5**

- Reinforcement of academic fundamentals and development of essential skills
- Subjects: English1, English2, Kannada, Hindi, Mathematics, Science, Social Studies, Computer Science, Robotics, Art Education, Music, Physical Education, and Value Education
- Emphasis on curiosity, expression, and collaborative learning

## **Middle Stage:**

### **Grade 6-8**

- Subject-specific learning with an inter-disciplinary perspective
- Subjects: English1, English2, Kannada, Hindi, Mathematics, Physics, Chemistry, Biology, History & Civics, Geography, Computer Science, Art Education, Physical Education, Value Education
- Development of critical thinking, problem-solving skills, and responsible citizenship
- Our curriculum aims to nurture academic rigours, creativity, character formation, and a lifelong love for learning, preparing students for the ICSE curriculum in the higher classes and for the challenges of the modern world

## SCHOOL UNIFORM

All prescribed uniforms are available at 'Vivid Uniforms', Vishnu Priya Complex, Deshpande Nagar, Hubballi. Tel. 0836 425 6633 Cell. 88803 77703

### **KG Classes (KG 1 to KG 3) :**

The Students will wear the prescribed uniform on all school days. However, on Wednesday's, they will wear the prescribed T-shirt.

### **Grades 1 & Above**

The Students will wear the prescribed uniform on all school days. However, on Saturday's, they will wear the prescribed T-shirt. Students will be allotted to a House at the time of admission.

Note: Students must follow the uniform guidelines on all working days and ensure that their uniforms are neat and presentable.

Chetan Public School – Smart Campus provides bus facility to students (Class I to Class VIII). Our bus routes cater to students to and from specific areas of Hubballi.

Students can avail themselves of School Transport subject to seat availability. The routes of the School buses are decided by the School management and the parents should consult the School Transport in-charge for necessary details.

Use of the School Bus facility is not mandatory.

Separate hostel facilities are available for interested boys and girls from Grade 6 onwards.

## TRANSPORT FACILITY

## CHETAN HOSTEL

## CO-CURRICULAR & EXTRA CURRICULAR ACTIVITIES

To ensure holistic development, our school offers a diverse range of co-curricular and extra-curricular programmes that complement academic learning and nurture individual talents and life skills.

### **Chess Lab and Chess Classes**

Our well-designed Chess Lab provides each child with an individual chess board and access to a trained coach. Weekly chess classes are conducted for students from Nursery to Grade-8, along with regular in-house chess tournaments to develop strategic thinking, patience, and concentration.

### **Robotics**

Weekly Robotics classes are conducted for students from Grade-1 to Grade-8, introducing them to basic programming, problem-solving, and hands-on STEM learning through age-appropriate kits and activities.

### **Financial Literacy**

From Class I onwards, students are introduced to age-appropriate concepts in financial literacy. This programme helps children understand the value of money, saving, budgeting, and responsible spending.

### **AI Literacy**

Age-appropriate initiation will be made to make the students AI Literate.

### **Music and Dance**

Students receive exposure to both Indian and Western music, including vocal and instrumental training. Music and Dance classes cover classical, contemporary, and folk forms, fostering rhythm, expression, and cultural appreciation.

### **Public Speaking**

Beginning from Kindergarten, students are given ample opportunities and structured training to build their public speaking skills, encouraging confidence, clarity of thought, and effective communication.

### **Kreedo Montessori Lab**

Our Pre-Primary section features the Kreedo Montessori Lab, a unique learning space that incorporates gamification of education. Children learn through hands-on activities, games, and experiential methods, laying a strong foundation in a joyful and engaging manner.

### **Other Activities**

In addition to the above, students participate in:

- Library sessions to nurture reading habits.
- Yoga for physical health and mental balance.
- Art & Craft to inspire creativity.
- Life Skills Education to promote emotional intelligence, decision-making, and inter-personal skills.
- Sports and Games to encourage fitness, discipline, and team spirit.
- Skating, Taekwondo, Table Tennis, Musical Instrument classes etc. classes are also conducted regularly to enhance physical strength, co-ordination, and artistic skills.

*Our commitment is to develop well-rounded individuals who excel academically and grow into confident, responsible, and compassionate citizens.*
